

Warranty

We guarantee the aforementioned equipment manufactured by us to be free from defects in material or workmanship. We agree to repair or replace any parts which may prove defective within 6 months after date of original purchase of the equipment.

Free of charge repairs under this guarantee can only be made when the equipment is returned properly packed, with all transportation charges prepaid, to your dealer.

This guarantee does not cover power transistors, fuses, lamps as well as any damage due to careless maintenance, leakage of batteries, accidents or to faulty packing on the part of the user.

This guarantee excludes any liabilities such as any expenses of travel, spoiled batteries or cost due to damage.

This guarantee is void if repairs or modifications have been carried out by third parties and is only valid if the registration card is signed and dated by the dealer and is mailed within ten days of purchase, correctly filled out.

This card will not be reissued when lost.
